LIST OF CANDIDATES FULFILLING PLANTHEALTH ELIGIBILITY CRITERIA

LIST OF ELIGIBLE CANDIDATES

Below is a **list of candidates who meet the eligibility criteria** for the Masters Programme and **can apply to register as self-funded students**. Self-funded students include those who are paying for themselves or those who have received scholarships from sources other than the PlantHealth Erasmus Mundus Scholarship. All costs related to the M.Sc., including participation costs, travel and living expenses, must be covered by the student.

The PlantHealth Master **accepts up to 30 students** per intake. Due to limited availability, places are offered on a first-come, first-served basis, subject to passing an **online personal interview** and **securing a place by paying the first-year participation fee**. To secure a place on the programme, please email planthealth@upv.es before **15 April 2024** and we will arrange an online interview.

Please note that, among the eligible candidates (list below), the most outstanding candidates have been selected to be offered Erasmus Mundus scholarships. The selected candidates can be found in the **List of applicants awarded EMJM scholarships- Intake 9 (2024 / 2026)** published on the website at: <https://www.planthealth.upv.es/web/news/>
